Every parent needs their very own PA (especially at this time of year), but

it's not always a practical possibility. That's when this book comes in handy. More an advice bureau than a mere directory, this book offers a veritable treasure trove of top-notch companies, shops, specialists and craftspeople with services and products to see you through your next family drama. Parties, international travel, pets, shopping – every page offers great suggestions for outsourcing pesky parenting problems.

Page turner: Looking for an heirloom? Need to set up a home office? Desperate for a new children's party theme? Look no further.

Page turn-off: How will I ever pay for it all?

Typical phrase: “Clare will make you the most wonderful handmade luxury Christmas crackers that will be the talking point of your table.”
